Boolarra - Brendan Mason

"A lightning fast start saw Toora lead five goals three to one goal three at the first break. As well as dealing with a four goal deficit coach Brendan Mason lost Mitch Lovison for the game with a rib injury five minutes into the first term. After wrestling back momentum back to back goals to Sheers and coach Brendan Mason got the margin back to 14 points halfway thru the 2nd. When Joel Mason goaled at the 17 minute mark the margin was back to 8 and it was game on. With 24 gone in the last quarter a Toora free kick found their gun forward Craig free in the F50 and when he kicked truly the home side led by 4 with that being the ultimate margin in a cracking game of football."

Fish Creek - Jarrod Walker

"A pleasing win, we knew Tarwin would come out firing after the previous week and it proved to be a tough arm wrestle for the first half. Happy with our boys to keep grinding away, lift the pressure in the second half and kick away to a couple of goal lead. It has been a real positive for us that we are able to stay in games, then have the fitness to lift to another gear in the second halves when required. Now having played everyone once it's back to the start, and a tough game against Yinnar. It's getting tight at the top of the ladder so it will be extremely important to win this one for a bit of breathing space. Hopefully with a couple of handy inclusions that didn't feature the first time around we will be able to get the win this time."

Foster - Sam Davies

"Unfortunately I was away at a funeral in NZ but luckily we have such a strong club and message across the group we could still go to work. Besty took over but our first half was filled with undisciplined acts and giving away goals - we were on top but the scoreboard may not have reflected that. The second half showcased the way we wanted to play and our ability to score and defend as a group. The midfield dominated and our forwards got really good looks. We'll enjoy a week off before our last 4."

Hill End - Adrian Burns

"We all played well, but big Will Schofield got us plenty of the ball and lifted the whole side. Stony Creek came back in the third quarter, but we kept them at arm's length, and I've been waiting for them to do what I knew they could. It was just great to see the boys get a reward and for the whole community to enjoy it."

MDU - Rhett Kelly

"There's no easy way to say this, but yesterday's performance was poor and extremely disappointing. While the first half showed promise for a great game of footy, unfortunately, we didn't come to play after halftime. Full credit to Foster; they are a great team and had all the answers across the board. They outworked us for longer and were able to score heavily, we simply couldn't respond. I want to apologise to our supporters who made the trek down the road. That was not who we want to be, and we need to be a lot better than what we dished up in that second half. The great thing about footy is that we have another chance next week to respond. I'll be expecting a huge effort against a team that had us covered in round one."

Mirboo North - Damian Turner

"Huge result for our season and this group. Thorpy are a strong hard contested team and that's exactly what they brought. They had a lot of the early play and fortunately let us off with some wayward kicking. But the grit, run and determination of my boys got us there. 17yr old Jono Conlan kicking a huge goal in the last qtr in his 5th senior game, these moments can make players. Proud coach! We roll into the bye now, rest up, reset and hope to keep the momentum up for the last month of footy, one week at a time for us."

Morwell East - Paul Henry

"The trip to Newborough proved disappointing. We both have struggled this season with not many wins on the board between us. Our ability to execute

simple skills has been a common factor in our losses this year. It's not at the level it needs to be. Out to Thorpy next week, again another team that we should be able to compete well against. We will see."

Newborough - Pat Frendo

"Really solid bounce back after a super disappointing outing last week. The boys got off to a really good start which set us up with a 2 goal lead at the first break. In a game that had quite a few momentum swings we managed to hold a 2-3 goal buffer for the rest of the game. Hoping this win builds a bit of confidence heading into next week when we head to MDU to play them for the second time. We managed to knock them off in round 1, but that seems like an eternity ago and both teams have gone on to have very different seasons since. Will be a tough challenge as our next 3 opponents are all gunning for a top 2 spot."

Stony Creek - Troy Shepherdson

"Congrats to Hill End getting their first win for the year and putting on such a great day with the Carlton Draught player. With so many injuries to our list we are battling the best we can. This week into Boolarra who have been in good form and we look to win a few games in the back end especially when we get a few of these teams we lost close ones to on our home deck."

Tarwin - Lachie Jones

"Always a tough ask playing Fish Creek as they have quality across every line. I was happy with our response today as opposed to last week. The guys gave effort and we held one another accountable. A really pleasing aspect was our second quarter response. We had some of our players do some selfless role's and some things worked which we will take away as a positive. We took the contest up too them but did drop away in the last quarter. A really big game awaits us in Toora next Saturday. They have improved as the season has gone along so we will need to bring our best."

Thorpdale - Daniel Taylor

"Frustrating day. Inaccurate kicking and undisciplined play right throughout the day proved to be costly in the end. After a pretty dominant 3rd quarter we had our chances early in the last to put it to bed but didn't convert. Full credit to Mirboo Nth, they finished off strong and were running on top of the ground to pinch it late. East next week at home is a must win game, it's our 40 year premiership reunion which was our last senior premiership so it's a big day for the club. I'm expecting a big performance from the boys. We need to bounce back if our season is to go anywhere."

Toora - Jay Accardi

"A tough contest against Boolarra, we came out firing in the 1st quarter and controlled the majority with good ball use which gave our forwards good looks at goal. But as Boolarra do so often, they got the game on their terms and outplayed us for the majority of the last 3 quarters. Great to see the boys stand up when it counted in some big moments in the last quarter to get the victory, one that could have gone either way. We now head to Tarwin for another massive challenge, one we look forward to."

Yinnar - Sam McCulloch

"One of the most pleasing aspects of our game before the bye, was the even contribution from right across the field for all 4 quarters. We have enjoyed a well-earned break and will be ready to go and prepared for Fish Creek."

AFL LAUNCHES NEW NATIONAL PLAYHQ CONCUSSION FUNCTION

In conjunction with the AFL PLAY Concussion Hub, a new national feature in PlayHQ is now live to help manage concussion across community football.

The AFL has today launched a new feature in PlayHQ to help leagues, clubs, players and families manage concussion across community football.

Following extensive consultation with leagues and clubs, the feature is now live nationally and allows clubs and leagues to enter suspected concussions for players, making them immediately ineligible for selection and triggering email notifications outlining the steps they need to complete to manage their safe return to play.

Players, or their parent/guardian, will need to successfully complete the clearance process by making declarations through their PlayHQ profile to reactivate their selection eligibility, which includes:

Players who suffer a concussion – must declare that it is at least 21 days since the concussion, and they have completed all the return to play requirements.

Players who did not suffer a concussion – must declare that a doctor has cleared them of suffering a concussion. In these situations, a club administrator, via PlayHQ, must confirm they have sighted the medical clearance before the player is eligible for selection.

In 2024, the AFL introduced a new policy that states all players who suffer a concussion must sit out a minimum

of 21 days before returning to play, which applies to all levels of Australian Rules Football below the elite AFL and AFLW competitions.

The new functionality is a key initiative under the AFL's Strategic Plan for Sport-Related Concussion in Australian Football and follows the release of the AFL PLAY Concussion Hub, which was launched on the AFL Play website in April.

Home to all AFL community concussion resources, the AFL PLAY Concussion Hub has translated policies and community guidelines into simplified, engaging and easy to understand content, empowering everyone in local footy with the knowledge and tools they need to recognise, respond to, and manage concussion.

As part of the new functionality in PlayHQ, if a player is suspected of suffering a concussion, they or their parent/guardian are automatically directed to the AFL PLAY Concussion Hub via email communication, which contains information to help support and educate.

Since its launch in April, there has been a nearly 200 per cent increase in people visiting the Hub webpage, with participants finding the resources or information they need more efficiently.

Family Trivia Night

The Trivia Night is back on Saturday, 9th August and this year we're going to hold it at the Morwell Bowling Club. They've arranged the room out back for us and we encourage you to bring family and friends along, enjoy a meal, and then settle in for trivia at 7:00pm. Welcome to come just for the trivia if you like.

Don't forget, we've now got a 15% discount on food. No cost to attend, just a whole lot of fun. You can make your own table of 8 or form a table on the night. Let Dan know if you're coming so we can arrange the tables with the Bowling Club. Need to know by Thursday, 6th August.

Development Panel – Field Umpire Session

Tuesday 22nd July – Director Bryan will be popping down to run a special session in the lead up to finals. All umpires who have been doing TDJFL field are requested to attend.

Team Stack App

Many people have now jumped on to the Stack App, but we have lots more to go. Simply download the Stack Team App, search for LVUA and request to join.

We welcome and encourage parents to join too. We are placing some announcements on from time to time and the bowling club discount is through this also.

Game Tally Acknowledgments

Whilst we make big announcements for game 50 & then each 100 thereafter (100, 200, 300 etc), it's still worth an acknowledgement for the 50's in between.

So far in 2025, we've seen the following 50's ticked off:

- 350 – John Marsiglio
- 450 – Dan Swallow, Rob Blunt
- 550 – Bryan Sultana
- 650 – Steve Esler
- 950 – Barry Lawrence

Umpiring Photos

If you happen to have any photos of our umpires, please send them through to our Facebook page as we don't have resident photographers at all games.

LADDERS

All teams will have now played each other once and with 5 rounds to go there are still finals spots up for grabs. We definitely have some very interesting ladders. There are some grades that have their top 4 set, but in many there are others fighting it out for the positions. With 5 rounds to go, and most clubs/grades having 4 games left, there are plenty of chances to still make the top 6!

It makes for an exciting run to the finals.

QUALIFICATION

Players must play a minimum of one-third of the MGFNL season's playable games in a grade to qualify for that grade's finals.

Any senior player may not play more than 50% of the season's games in a higher grade before becoming ineligible to play in a lower grade.

Please contact the MGFNL Exec through Pauline Tantau (midgippsland@gmail.com) for individual requests for clarification/exemptions.

Senior grades: Players need 6 games played to qualify for finals but may play no more than 8 games in a higher grade. Once more than 8 games are played in a senior grade, then the player will have to stay in that grade.

Junior grades: Players need 5 games to qualify for finals. Juniors may play unlimited games in Junior grades and still be able to play in their own grade. However, if a junior is playing in a Senior grade, then the above senior rules apply.

You can check on this by going to Match Day> statistics>game time. Change Periods to games. You can search for a single player or if you copy and paste the black name grade, you can bring up individual teams. Debra Tormey our league Netball Score secretary is also keeping record of players games and is happy to check for individuals or clubs.

Games played on a Single Game Voucher will count towards qualification once the player has paid their full membership.

NETBALL VIC MEMBERSHIP

Thank you to all those clubs who have their umpires registered. Please make sure that you check your list and please contact any who have not yet done so. Coaches, players and team managers must also have current registration.

Netball Victoria membership is required for team managers. It's not just for players; all team officials, including team managers, coaches, and committee members, must have a current Netball Victoria membership to be covered by insurance and to participate in Netball Victoria affiliated competitions.

Clubs may pay for the membership of non-playing team managers and committee members, but the individuals still need to register themselves.
