2026 MGFNL PRE-SEASON PREVIEW

As we enter what promises to be a fascinating Mid Gippsland Football Netball League season, the excitement and anticipation around the competing clubs is unmistakable. With player movement, coaching changes and the ever-present unpredictability of country football, season 2026 shapes as one of the most even contests in recent memory.

Will the powerhouses of the last few years continue their reign at the top of the ladder, or after seasons of patience, development and recruiting, will one of last year's battlers finally take a significant step forward?

For now, at least, all clubs begin equal. The ladder shows zero wins across the board and every scoreboard will flash nothing but zeroes as the league closes in on the first bounce of the 2026 season.

What happens from here will be decided on a weekly basis across the coming months – by form, fitness, depth and availability – and results will rise and fall quickly in what promises to be a brutally competitive campaign. We look forward to bringing you the comings and goings, the ins and outs and, of course, the highs and lows as they unfold.

Jump on the MGFNL website each Monday and Friday at www.midgippslandfnl.com.au, or follow the links on our socials for weekly reviews and previews. And as always, you can listen to the MGFNL Game of the Week every Saturday – and some Sundays – on Gippsland FM 104.7.

But first comes the annual pre-season exercise – the opportunity to throw caution to the wind and nominate winners and losers before a ball has been kicked in anger. A chance to look insightful... or foolish... come September.

Using last year's ladder as a guide, here's a look at each club, their list changes, coaching perspective and prospects for the season ahead.

Foster

The reigning premiers topped the ladder in 2025 but were made to earn their flag the hard way. A week-two finals loss to arch-rival Fish Creek left Foster staring

down the barrel of a straight-sets exit before a cut-throat preliminary final against Yinnar.

In a superb defensive display, the Tigers restricted Yinnar to just a single goal per quarter through the first three terms and, despite a late surge, advanced by one point. The grand final followed a similar script, with Foster trailing at the last change before booting three goals to one in the final term to defeat Fish Creek by eleven points.

There's little reason to believe Foster will take a backwards step in 2026. Recruiting has been strong and Jake Best arrives as senior coach with an impressive résumé following his time in the Gippsland League with Traralgon. Best's presence brings a fresh voice and a clearly defined game style.

Depth, however, looms as the Tigers' biggest challenge. The reserves managed just three wins in 2025 and key outs include Mitchell Green and Matthew Clark (retired), plus Michael Green and Billy Flavelle (ACLs). Those losses are offset somewhat by the arrival of two higher-level forwards and perennial team-of-the-year representative Jack Weston from Toora.

Best is well aware that his side will be hunted in 2026. "We have Fish Creek round one in a grand final rematch. It's always a quality contest and a great early test to see where we're at."

Prediction: Top 2 and a big say post-season.

Fish Creek

Fish Creek simply refuse to leave the top end of the ladder. Had their goal kicking been sharper in 2025, the Magpies may well have celebrated a premiership three-peat.

Coach Jarrad Walker acknowledged some list turnover, with retirees and a handful of departures, but was quick to note the club has again recruited strongly. Charlie Wilson, Jack Davis, Jackson and Rhett Weidemann and Mitch Hicks join the group, while Blaine Coates returns after a year away from football.

Walker highlighted renewed energy within the playing group and stressed the importance of strengthening the club across all grades. A focus on junior development

FROM THE EDITORS DESK

and reserve depth remains central to Fish Creek's long-term success.

A Round 1 grand final rematch with Foster provides the perfect early measuring stick.

"It'll be exciting and a good indicator of where we sit against the best."

Prediction: 3-4 and a big say post-season.

Yinnar

After consecutive seasons of falling just short, Yinnar are clearly all-in for 2026. The Magpies have aggressively addressed list gaps, adding height, midfield quality and forward craft to complement an already imposing backline.

Coach Sam McCulloch described the pre-season as very positive, with strong training numbers and clear intent around areas for improvement following last season. While Josh Bugeja (overseas) and Michael Robertson (Poowong) depart, returning juniors, a former premiers player and several new recruits have strengthened the list significantly.

With a Round 1 bye, anticipation is building internally, and many believe if Yinnar are not lifting the cup in 2026, whoever does will need to go through them.

Prediction: Top 2 and a big say post-season.

MDU

MDU entered last year's finals series full of confidence after beating Yinnar twice through the home-and-away season, but were left frustrated by an earlier-than-expected September exit.

Coach Rhett Kelly reports excellent numbers throughout pre-season, with particular improvement in midfield depth and defensive structure. A well-developed group of younger players across seniors and reserves provides valuable insurance and internal competition.

Both the senior side and reserves carry strong motivation into 2026 following finals disappointment, with Kelly emphasising consistency as the key to going further.

Prediction: Top 4, wins two finals.

Thorpdale

Thorpdale continue to sit on the fringe of the competition's elite tier. Finals appearances have been regular, but a deep September run remains elusive.

The return of James Holland-Burch, Tyde Melbourne and league-leading goalkicker Matthew "Moose" Powell adds experience and finishing power, while new recruits are expected to help bridge the gap in running depth that was exposed late last season.

With Lachy Wallace leading the midfield and Gav Low providing reliable ruck work, expectations remain clear.

Prediction: 5-6, win a final and upset a top-four side.

Boolarra

Boolarra loom as one of the competition's most difficult teams to forecast. When at full strength, their best football is more than good enough to challenge finalists. However, availability and depth – particularly through the reserves – remain question marks.

Losses including Simon Noy and Bailey Flannagan will leave a gap, while an influx of recruits – several from interstate – adds intrigue. Much may hinge on how often Brendan Mason is able to field his strongest possible line-up.

Prediction: 7-8, miss finals on percentage.

Tarwin

Tarwin's last two seasons have been defined by inconsistency. Their best football has beaten finalists; their worst has left supporters searching for answers.

Coach Lachie Jones has overseen a busy off-season focused on retention and injecting new talent. Pre-season numbers have been excellent and early signs point to a more settled and driven playing group. Whether that translates to finals may again come down to narrow margins.

Prediction: 6-7, finals decided by one win or percentage.

FROM THE EDITORS DESK

Mirboo North

Mirboo North's season ended abruptly in Round 18 last year, surrendering finals qualification during the final quarter on home soil. That moment has not been forgotten.

Coach Damian Turner believes the sting of that loss has fuelled a strong off-season. Retention has been excellent, with a large group of under-18s graduating alongside several targeted recruits.

Confidence is building that 2026 could see the Tigers break back into September action.

Prediction: 6-7, finals again in the balance.

Newborough

After missing finals in 2025, Newborough enter the new season with cautious optimism. A dominant thirds premiership provides ready-made senior depth, while recruiting has added leadership and experience where needed.

Coach Pat Frendo expects little separation across the ladder once again and believes consistent home-ground performances will be critical if the Dogs are to surprise.

Prediction: 10-13, improvement shown through percentage.

Toora

One of the most uncomfortable sides to play late last season, Toora have quietly gone about their business through summer. The loss of Jack Weston is significant, but list retention remains strong.

Key recruiting, particularly in the ruck division, should assist coach Jake Smart in implementing a more competitive contested-ball game, while Toora's outside run remains a strength.

Prediction: 10-13, improvement measured by consistency against lower sides.

Stony Creek

Stony Creek found themselves competitive in many matches last season but struggled to finish games. Coach Troy Shepardson has focused heavily on addressing that issue during a positive pre-season.

New recruits bring experience, while the emphasis for 2026 is on maintaining intensity for four quarters.

Prediction: 10-13, improved home-ground results.

Hill End

Hill End's 2025 campaign was defined by inconsistency, something new coach Tom Hallinan is determined to rectify. A significant influx of recruits has boosted senior numbers and depth, allowing a more modern style of play to be introduced.

Optimism is high that effort and structure will convert into wins.

Prediction: 8-9, too many ins not to improve.

Morwell East

A combination of injury, absence and suspension derailed Morwell East's 2025 season. New coach Ben Marks inherits a list with a solid spine and a reserves premiership core pushing for senior opportunity.

With improved availability and belief, the Hawks should become more competitive week to week and difficult to put away.

Prediction: 10-13, consistency and fewer blowouts.

SEASON OUTLOOK

With minimal separation expected across the middle tier of the ladder and established contenders still setting the benchmark, the 2026 MGFNL season shapes as one where depth, availability and momentum will matter more than ever. A single injury, suspension or patch of form could be the difference between September action and an early finish.

As ever, the predictions will be tested quickly – and often.

COUNTRY FOOTY CELEBRATES 25 SEASONS WITH WORKSAFE

As excitement builds toward the first country football matches of 2026, AFL Victoria has celebrated its 25th season of partnership with WorkSafe Victoria at Anakie Football Netball Club.

AFL Victoria and WorkSafe were joined by three-time AFL premiership player Tom Hawkins and three-time AFLW premiership player Emma Kearney, both of whom began their football journeys in regional Victoria.

Since 2002, WorkSafe has partnered with country football and netball clubs across the state to promote workplace safety and support rural and regional communities. Over that time, 133 clubs have hosted WorkSafe through the Country Club Game initiative, while 192 clubs have received funding to improve safety at their facilities.

The partnership has coincided with major growth in women and girls participation, highlighted by the success of AFLW star Emma Kearney. The 2018 AFLW Best and Fairest and three-time premiership player grew up in the small Western District town of Cavendish, near the Grampians.

Kearney's achievements have inspired her home club, with Cavendish Football Netball Club now recording

nearly 100 registered female participants across Under 15s, Under 18s and Senior Women's teams.

"When I played at Cavendish there were no women's teams – to hear that there's now a senior women's team and two junior girls' teams is incredible," Kearney said. "I'm really proud of what the club has done to grow the game and create a strong, fun culture."

Cavendish hosted a Country Club Week event during the 2025 season. Clubs that host a Country Club Week receive \$15,000 in WorkSafe contributions, including equipment, facility upgrades and community activations.

Three-time AFL premiership player Tom Hawkins reflected on his own country football roots at Finley in the Murray League before his AFL career with Geelong.

"Country footy and netball clubs are the heartbeat of rural communities," Hawkins said.

"WorkSafe's 25 seasons supporting country footy and safe farms is remarkable. A safe workplace is just like a winning team – everyone plays by the rules and looks out for each other."

NETBALL NEWS

We are thrilled to welcome everyone back for the 2026 netball season. After months of preseason training programs and practice matches, it's exciting to finally see our teams take the court for competitive games once again. While preparation is essential, nothing quite compares to the energy, determination and passion of match day.

We wish the very best of luck to all teams as the season begins. A huge thank you goes to our coaches, umpires, volunteers, officials and administrators who make our competition possible. We also warmly welcome our spectators and supporters—your encouragement and enthusiasm are a vital part of the game-day experience.

Junior Squad/Representative Netball

During Pre-season we held two successful tryout sessions and have selected 17/U, 15/U and 13/U squads.

Our coaches are Rebecca Browne, Casey Tumino and Melissa Blackshaw.

The Tournaments we hope to enter this year include

Sunday May 5th	Traralgon NA
Sunday May 17th	Sale NA
Sunday May 31st	Leongatha & District NA
Sunday June 14th	NV Association Champs @ Moe & District NA

The Association Championships are an official pathway tournament into NV Talent Academy.

Please contact our Squad/Rep team co-ordinator Sue Hutchinson 0428 631 270 for any further information.

Score sheets

Names cannot be added on the score sheet after the commencement of play.

Any players who take the court without having been named on the score sheet, must be removed immediately, once noticed, and cannot participate in the rest of the match.

For the period the player was on the court, the score for that team is removed.

Live Scoring

Each venue is live scoring all netball matches again this season.

Download the NetballConnect app for accessing the fixtures, live scores and results, the ladders and player statistics. Please make sure that scores are uploaded by 5pm so that the ladders can be generated.

Inclusive Uniforms

With the introduction of our Under 13 competition and the inclusion of boys under 13 in junior teams, many of our clubs have embraced Netball Victoria's recommendation for inclusive uniforms.

Players in both junior teams and senior grades may wear MGFNL-approved alternatives to the traditional netball dress. This initiative supports comfort, participation and inclusivity for all athletes while maintaining a consistent and professional appearance across the competition.

Netball Updates to the Bylaws

61. Player/Official/Team Registrations and Eligibility

61.1. A player is considered to be registered with a club once they have taken the court with that club, either with a full Netball Victoria membership or a Single Game Voucher. A Player can only play with one MGFNL club at any one time during a season.

61.11. In a final series a player may, within her own club, play in a higher grade in the case of an emergency only and with the consent of the MGFNL Executive Committee. In a final series a player may only play one Senior game per weekend. Should a club require a player to play in a higher grade in the case of an emergency only clubs need to apply to the MGFNL Executive Committee for consent

68. Score Bench - Rolling Substitutions

68.8.1. The substitute stands immediately behind their teams' substitution zone.

LV UMPIRES ASSOCIATION NEWS

Welcome back to all for another year of local footy action. Firstly, we say thank you to our 2026 sponsors, Evans Petroleum have joined this year as new major sponsor and have facilitated new shirts which you will see around the grounds over the weekend. Morwell Bowling Club remain our other major sponsor who have been long-time supporters of the association and we are thankful for their ongoing support. Thanks to long-time uniform manufacturer Hip Pocket and Moe Racing Club for also re-committing sponsorship to the LVUA.

Our new tops had their first outing on the MCG for the half time Auskick at Richmond v Port Adelaide. All umpires represented LVUA well.

Social Calendar

A brief run down on the dates planned out with a mix of casual post-match evenings at the Maryvale rooms and dinners at our sponsors

- Maryvale Reserve – drinks & footy watch 11/4, 25/4, Games Night 9/5, Trivia Night 11/7, Girls Night 25/7
- Morwell Bowling Club Dinners – 18/4, 2/5, 13/6, 15/8, (GF Dinner 9/9)
- Moe Racing Club Dinner – 27/6
- Presentation Night (MBC) 19th September

Development Panel Changes

This year we are not running a separate junior and senior training, all umpires are training on Wednesday nights. Our junior numbers have been turning out in strong numbers with more transitioning from junior to senior matches already this week (debut news in next

week's spectator). Junior co-ordinator Robert Blunt is working with boundary coach Nick Harrap and a few other senior mentors to ensure that our young umpires aren't lost in the seniors.

Arrive at Maryvale Reserve at 5:45pm ready for 6pm training. Juniors (and parents) are welcome to stay for post-training meals & announcements. We also have a few parents that will be joining their kids in TDJFL & potentially seniors too, which will add to our growing number of running families

Milestones

400 Games – Blake Gittos – Our newest Life Member of the LVUA, Blake will run Game 400 this weekend at Morwell. Blake has developed into one of our top field umpires, running Seniors Grand Finals in 2023, 2024 & 2025. Congratulations Blake!

50 Games – Apryl Slade ran her 50th game on Friday at the junior all-stars. Apryl started training with us through family since years before she could start officially running, now has done 50 games and will start junior field umpiring this year. Well done Apryl!

50 Games – Mel Sykes – A goal umpire in her third year with us, Mel starts the year with her 50th game. Congrats Mel!
