## **Boolarra - Brendan Mason**

"A heart breaking one point loss with a shot for goal right on the siren falling agonisingly short. In a finish that will be spoken about for many a year. The two sets of supporters may never agree on whether or not the ball crossed the line or not with Bailey Flanigan's shot from outside 50, having plenty riding on it with the margin 1 point and the siren ringing out while the ball was mid-air. The man in lime green however, after a quick conference with his companions, declared no score and to the winner goes the spoils. Tarwin jumped us early and had their 9 scoring shots been more accurate they could've had the game wrapped up very early. To our boys credit though we fought back well over the next two quarters to take a 15 point lead into the final change. With our bench reduced to 1 due to injury it was always going to be a battle of attrition over the last term. To Tarwins credit they managed to find the front holding on to walk away winners by the narrowest of margins. We look to taking on Yinnar with a mostly fully fit list in a local Derby both sides look forward to each season."

## **Fish Creek - Jarrod Walker**

"A really solid game for us yesterday. We had probably our youngest team in for a few years, so we stripped the game right back to a few simple KPIs for each group. We were able to tick these off at each 1/4 time break which was a real positive and probably one of our more consistent 4 quarter games for the year. Thorpdale were good all day, also battling a few injuries but stuck at it right until the end. It was probably only the last 10-15 minutes we were able to kick a couple of goals in a row and end up with a nice lead. Next week is a danger game for us against Hill End. From all reports they gave Yinnar a real run for their money so they will be full of confidence and ready to go. Hopefully we can start getting a few troops back and have a solid performance."

## **Foster - Sam Davies**

"Solid four quarter performance from us with a

couple of really good moments. Stony definitely had strong patches, especially for the first 10 minutes of each quarter and really tried to play a high contest game. We welcome Mirboo North to Foster next weekend. We are fortunate enough to have our junior club, Corner Inlet also playing on the Saturday which we are stoked about and can't wait to support."

## **Hill End - Adrian Burns**

"Our first half was really good last week, and maybe our best footy this year. We were up at half time but some skill areas cost us against good sides. I really believe we could have won the game, but anyway we just keep going. It can be a cruel game, but last week even with injuries we showed we are capable. It's another big challenge this week against another good side, but my job is to get the team to be on their game for four quarters."

## **MDU - Rhett Kelly**

"It was another fantastic day for football. Facing a young team, you're never quite sure what to expect, and Mirboo Nth certainly started strong, putting us on the back foot early. However, we were able to regroup at quarter time and get the game back on our terms. I'm super proud of the boys for their work rate around the ball and their ability to spread and move the football forward, creating plenty of opportunities for us. Looking ahead to next week, we'll be playing Morwell East. They're coming off a bye and will be well-rested, so we expect a strong contest."

## **Mirboo North - Damian Turner**

"Full credit to MDU, they showed their class across the majority of the game. We started strongly and had some great moments, and while we couldn't maintain it, the effort and attitude never wavered. Injuries continue to challenge us, but the boys showed real resilience and a willingness to adapt, which is super impressive. Another U18 debuted this week, which is a great sign for the future and valuable experience for our young brigade. We'll recover, train hard, and

look to get a few back ahead of a big test this week in Foster at Foster, one of the form sides of the comp. It'll be a huge day with all junior teams from U10s up in action for a massive "Super Saturday" of football."

## **Morwell East - Paul Henry**

"Bye for us last weekend, got the 4 points. With results going the way they're going, we find ourselves only 3 games out of the top 6, which makes this week's game against MDU a very important one."

## **Newborough - Pat Frendo**

"Very tough loss yesterday against Toora. Started off really well and quickly went away from what got us an early lead. Toora showed they were hungrier and cracked in harder at every opportunity. We have Stony Creek next week before we head into our mid-season ball and hoping we can start to play a better brand of football in the back end of the season."

## **Stony Creek - Troy Shepherdson**

"We took on a ladder leading Foster who proved why they're on top. With a great run and spread game, the scoreboard didn't reflect how close the game was, with our boys well in the contest. Next week we travel to take on a Newborough side who along with us will be desperate to get on the winners list and keep in touch with the top 6."

## **Tarwin - Lachie Jones**

"Well, that's the definition of stealing a win. We looked done for but surged late to hit the front and then just held on. Like so many times this year we have been in a tough spot late but the message at the 3 quarter time break was let's take our chances and don't dwell on any mistakes. We hung tough and were able to play a really strong last 15 minutes, when we hit the front we put Jordan Staley behind the ball and he iced the game with 3 strong pack marks. Earlier in the game, it was free flowing from both sides with a few momentum shifts and Boolarra had their chip and mark game going well. We had u/18's player

Indie Cameron (son of club legend Travis) make his senior debut and that gave us a really big boost. He played a great game too and didn't look out of place for 17 year old. It's puts us in a strong spot and next week we have a bye to refresh and reset before we take on Yinnar at home."

## **Thorpdale - Daniel Taylor**

"We started the game off really well but didn't get any scoreboard pressure which was a little frustrating. After quarter time Fishy took control and were the better team for the rest of the day. Some basic skill errors really hurt us again, we need to clean that up if we want to be able to compete with the best teams. Toora at Toora this week is a tough ask. They're in good form, especially playing at home, it's an important game for our season moving forward."

## **Toora - Jay Accardi**

"A perfect winters day for football at Toora and we had a great contest against a young up and coming team in Newborough. They jumped out of the blocks early and kicked 2 goals before we even touched the ball, to our boys' credit we didn't panic and got the game on our terms. Really proud of how the boys responded after the previous game and now we look forward to welcoming Thorpdale who on their day can beat anyone."

## **Yinnar - Sam McCulloch**

"Was a sigh of relief to come away with the 4 points. Certainly not one of our better performances of the year, so credit to Hill End for their game. They were up and about and played some good footy. We were able to get our game going when challenged, which was pleasing. Plenty to work on during the week, our skills certainly weren't up to an acceptable standard. Can't wait to get back at home in front of what will be a big crowd and big day for the club against our cross town rivals in Boolarra. We will need to be on our game for 4 quarters to come away with the win."

## BRUNSWICK DRAGONS VOTED BEST LOCAL FOOTY INDIGENOUS GUERNSEY DESIGN

Artist: Emma Bamblett

### Mobs: Wemba Wemba, Gunditjmara, Ngadjonji and Taungurung

The artwork is created to represent the Brunswick Dragons football club, and their journey to acknowledge and celebrate Aboriginal Culture and Peoples.

Front left side of the jumper is Bunjil the Wedge Tail Eagle, he is soaring across the jumper to care for the people and represent the connection to the Wurundjeri Lands and people who are the Custodians of the land on which the grounds is placed.

The left top side of the jumper Elders standing strong on the shoulder of the jumper under the stars. They are giving guidance and sharing their stories of the Land. In the centre of the jumper is the football oval, there is curved lines running across to highlight the players and their connection with the club.

Surrounding the oval is large purple circles to highlight all the families and Communities watching. To the left side of the jumper is circles connected with curved lines to show the teamwork of the players on and off the field. They are coming together learning and sharing.

Throughout the artwork there is gum leaves to highlight Aboriginal Culture and ceremony. There is curved lines with continuous lines throughout all over the artwork which represents respect. It is throughout out and in all elements of football and community.

On the back left bottom corner of the jumper is hill formations paying represents to the Wurundjeri peoples and their language is represented through the lines streaming across the back.

To celebrate the 10th year of the AFL's Sir Doug Nicholls Round, AFL Victoria put a call out for local clubs across the state to submit their 2025 Indigenous Round guernsey designs, with the most popular designs to be voted by the community.

AFL Victoria received a number of great submissions from local footy clubs in all corners of Victoria, from South Warrnambool on the Great Ocean Road through to Red Cliffs (near Mildura), each with their own unique story and design by a local Indigenous artist or player.

The designs were shared across AFL Vic social media channels, leaving the community to vote on which guernsey they would like to see celebrated as the best local footy Indigenous jumper in Victoria for 2025.

Votes came through in the thousands, and AFL Victoria is proud to announce that the winning design, voted for by the community, was Brunswick Dragons Junior Football Club, from the Yarra Junior Football League, designed by Emma Bamblett.

## Mental Health Training Sessions

The Senior Mental Health training session was quite successful and we have received a number of positive reports from umpires involved already.

On Tuesday 24th June and Tuesday 1st July, we will have two sessions for 12-18 year old umpires on Mental Health Literacy, and then on Resilience. Both nights will have standard training outside for those aged <12 or 19+ or where parents don't provide consent. We strongly recommend participation.

The 24th will take place at the West End Complex in Traralgon (usual training location). The second session will take place at the Gippsland Power Centre for Excellence (at Morwell Recreation Reserve) and be followed by a free dinner for the junior umpires whilst a session for parents and coaches takes place for 45 minutes (6.30-7.15).

The standard training for those aged <12 and non-consent given umpires will take place at the Centre for Excellence on this night, not West End.

Information on the sessions can be found at this link <https://play.af/monvember-ahead-game>

## **Inclusive Uniforms**

With the introduction of our 13/U competition and the inclusion of boys under 13 in our junior teams the suggestion by Netball Vic for an inclusive uniform to be developed has been embraced by a few of our clubs.

You may see players in our junior teams and in the senior grades wearing MGFNL approved alternatives to the traditional dress. Clubs with All-Inclusive uniforms approved include Hill End, Boolarra, Mirboo North, Stony Creek and Foster.

Some clubs have uniforms approved for the boys in 13/U and 15/U but this can vary from year to year depending on the players.

Tarwin, Boolarra and Mirboo North also have clash and Indigenous uniforms they wear during certain rounds of the season.

## **Umpires**

In the MGFNL we are aiming to build a competitive community environment for our players, coaches, volunteers, parents and spectators that is both respectful and where everyone can participate safely.

We are committed to protecting our umpires as they go about their job.

Please remember that our umpires are human and don't always see things the same way and that they are so important to our game. Without them we wouldn't be able to play the game we love.

We need to ensure that our players especially our juniors have strong, positive role models on and off the court.

## **Finals Qualification**

Players must play a minimum of one-third of the MGFNL season's playable games in a grade to qualify for that grade's finals.

As we have three grades where teams play less than the 16 scheduled games, please see below for the number of games to be played.

**Senior Grades - 6 games**

**Junior Grades - 5 games**

Players must be named on the score sheet and must have taken the court and be marked as having played on the score sheet to be deemed to have played that game.

Games played on a Single Game Voucher will count towards qualification once the player has paid their full membership.

Players and Officials (umpires and coaches) must register and pay their Netball Victoria membership on the Netball Connect system.

Players from a lower grade may continue to play in a higher grade, within their own club.

Any senior player may not play more than 50% of the season's games in a higher grade before becoming ineligible to play in a lower grade.

A 13andUnder, 15andUnder and 17andUnder player once qualified in a senior grade is ineligible to play in a lower senior grade, however they are still eligible to play in their appropriate age group.

Players can check their eligible games on Netball Connect to ensure they are qualified and don't go over the 50% of games played.
