Boolarra - Brendan Mason

"After an arm wrestle in the first half injuries again took their toll on our lineup with only one rotation available after quarter time. Our back six worked hard with Mason Porykali doing an outstanding job to keep Kane Grinstead Jones out of the action. To Yinnar's credit they found a gear after halftime with their midfield particularly damaging in both their clearance work and in hitting the scoreboard. Inaccuracy cost us early however all credit goes to the home side who played the full four quarters at much closer to 100% than we were able to.

After last week's heartbreaking loss and another lesson learnt, we look forward to the challenge of taking on the reigning premiers."

Fish Creek - Jarrod Walker

"A pleasing performance yesterday. We started moving the ball a lot better in the second half which helped to create more space in the forward line and get some better looks at goal. It was good to see our forwards continue to work together and share the footy around to have a more even contribution of goal scorers. Darcy Berryman is in a hot run of form and it was great to see Jai Stefani get on the end of a couple after working really hard on the track. Hats off to Hill End who made us earn it all day, especially their ruckman (not sure on name) who went all day in the ruck and made us make a few changes in our ruck stocks. They've got some handy juniors coming through so good luck to them for the rest of the year. This week against Boolarra will be interesting for us. We struggled a little bit against them last year with how they move the ball so we will need to be on defensively all day."

Foster - Sam Davies

"Ticked the box last week, Damo definitely had his boys well drilled playing plus 2 essentially behind the footy all day which made it a very ugly game. We will start to see some players come back from injury over the next few weeks which will be helpful for numbers everywhere. We travel over to Morwell this weekend, they're still alive if they can start to turn it on and they've definitely got the list that is capable. We need to have a big few weeks on the track to get our touch to a better standard."

Hill End - Adrian Burns

"Fish Creek are a very good side, they are awesome, they had some players out and we had eight players out ourselves, the boys that were in did a good job. We had a fifteen year old that did a good job, young Hamish is a ripper, so it wasn't all bad, but I would've liked a bit more of a fight from us. We need to dust ourselves off, put that loss behind us and now focus on some improved footy against Toora whose season is still alive, so they will be yet another tough challenge."

MDU - Rhett Kelly

"It was great to come away with the four points, especially after Morwell East put up such a strong fight in the second half. We started the game really well and absorbed their pressure to have a small lead at quarter time. Our pressure in the second quarter was excellent, allowing us to play a lot of forward-half football with repeat entries. While we probably didn't capitalise enough on those entries, I was still extremely happy with our first-half efforts. Credit to Morwell East for coming out strong after halftime and putting the pressure back on. We were a bit lost structurally after a player was sent off at the start of the third quarter, and they were able to take advantage of that. Morwell East also scored a few goals late in the game, which was a bit disappointing from our end, but great to come away with four points. We have the bye this week, so we'll use this time to freshen up. It will also be great to see some returning players over the next couple of weeks."

Mirboo North - Damian Turner

"This was always going to be a tough trip with so many first choice players out, but I couldn't have been prouder of the fight and scrap of my boys. I felt we really did make it hard for Foster at times, and they stuck to a plan and never went away. Sam has a good strong list, and in the end their class and finishing was too much. We will take some learnings from today and even a small amount of confidence. HUGE week for us now. Newborough at home, in what is now the most important match of the season. To add a bit of extra motivation Josh Taylor, modern day club legend plays his 250th and achieves life

membership. We are super excited for the week and can't wait to saddle up again."

Morwell East - Paul Henry

"We competed all day against MDU. We had a lot of forward 50 entries in the first quarter, just didn't capitalise, MDU did. Got out worked in the second quarter. Second half we outscored them by a goal. Got within 4 goals in the last but MDU was too good in the end. We are playing better footy."

Newborough - Pat Frendo

"Massive win for us at the kennel today. First 4 quarter performance we've played in some time. Started the game well kicking 6.1 in the first, then hurt ourselves in the second quarter going 1.8 in front of goals. Managed to steady the ship a bit in the second half and gave ourselves a 6 goal lead late in the last before we switched off and allowed 5 goals in the last 8 minutes. 4 points is 4 points for us, we will take the win and move on to play Mirboo Nth on their home deck. Going off the ladder it looks like another team we see ourselves evenly matched up against so it will be good to see if we can back up a solid win with another good outing."

Stony Creek - Troy Shepherdson

"Travelled to Newborough and took on a side who were desperate to get back on the winners list and for 3 quarters they out worked us. The boys dug deep in the last to try to steal a win, but fell short by 5 pts. Hopefully we can role the momentum of the last quarter into next week when we get a Thorpdale side that will be eager to stay in touch with the top 4."

Tarwin - Lachie Jones

"After the bye it's now obvious how close the competition is this year. Yinnar are classy all over of the ground and don't have many weaknesses, but we are fresh and hungry and will throw everything at them."

Thorpdale - Daniel Taylor

"Great game of footy which could have gone either way. I felt at halftime Toora had the momentum and when they kicked the first goal after halftime to take a

14 point lead it looked like we were on the ropes a bit. To the boys credit we really got to work, our midfield got on top, intensity and pressure lifted around the ball and we managed to get some forward half territory which got the game back on our terms at the last change. Cracker of a last quarter with a few lead changes before we settled and kicked the last 2 goals to get an important win for our season moving forward. Really proud of the effort from the whole group but I thought Gav Low in the ruck was fantastic all day, Lachie Wallace was brilliant late and our full forward Cougar The Weapon Millsom had a day out and was the difference on the day kicking 8 goals straight. Off to the racecourse this week and if they have a bookmaker there I'll be having a little flutter on another tight game which is the nature of this competition. Two sides that match up well against each other in the past so expecting a tight tussle all day."

Toora - Jay Accardi

"We had a really tough encounter against Thorpy. The game was played at a high level and a physical one. It was a close match all day and to their credit they were able to take their chances when it mattered to grab the win. Really proud of the effort our lads showed but some silly errors at crucial moments in the last were costly but I'm sure we will learn from them and move on. We will get back to work this week and prepare as best we can to take on Hill End who will be hunting for a win."

Yinnar - Sam McCulloch

"In what was a big day for the club with many of our past players and supporters on hand to watch, it was great to come away with the 4 points. We were expecting a tough game and that's exactly what we got. The game was quite a battle and took us until the last quarter to break away and record a good win. Another big test this week with Tarwin on their home ground fresh after a bye. Going to be a big challenge as they have been in good form over the last month."

VICTORIAN COMMUNITY FOOTBALL ALIGNS UNDER FIRST-EVER STATEWIDE CHARTER

In a landmark moment for grassroots football in Victoria, the state's 20 metropolitan and country governing bodies have aligned with AFL Victoria to formally endorse a unified strategic direction for the game's future.

The culmination of more than two years of collaboration, the newly established Victorian Community Football Charter marks the first time the state's community football bodies have aligned under a shared philosophy: that through strong relationships, clearer governance, and effective structures, Victorian community football can thrive.

Developed under the guidance of the Future State Project, the Charter reflects a united commitment to overcoming shared challenges, seizing new opportunities, and building a more sustainable and inclusive game for all Victorians.

"Victoria is the largest football community nationally yet, until now, has not shared a strategic direction or collaborated as an industry to ensure the game thrives," said Greg Madigan, Head of AFL Victoria.

"The signing of the Victorian Community Football Charter and the commitment to initial priority projects align all governing bodies and AFL Victoria under one strategic vision, supported by structured processes and shared decision-making."

A Collaborative Vision, Backed by Action

The Charter outlines a broad strategic focus, guiding principles, and seven initial key Priority Projects, all led by representatives across the state's football community. These projects include:

- Player Pathways
- Community Umpiring Programs and Environments
- Community Female Football
- The continuation and expansion of the CCSP (Club and Competition Sustainability Project)
- Critical Incident Management
- Community Football Conduct and Standards
- A Policy Reference Group

"The CCSP and Policy Reference Group have already proven to be critical components, and under the Charter, they've been revised and expanded to help strengthen the game's foundations," said Madigan.

"We've already seen success, with all governing bodies co-designing and adopting State Affiliate Regulations for club transfers and team establishments earlier this year."

United in Philosophy, Diverse in Governance

While each metropolitan league and country region remains independent and manages its own governance and constitutional responsibilities, all signatories to the Charter have committed to a broader, evidence-based, industry-wide approach.

Stack App (Team App)

Stack App invitations have gone out and we've seen most umpires jumping on board. We want to move to using this as a key communications tool. Amongst other things, this is also where you access your 15% discount on food at the Morwell Bowling Club - just show the icon in the sponsor's section.

If you are a parent that hasn't received an invitation, please email us and let us know so that we can send you one to keep an eye on messages that are coming through.

Family Trivia Night

The Trivia Night is back on Saturday, 9th August and this year we're going to hold it at the Morwell Bowling Club. They've arranged the room out back for us and we encourage you to bring family and friends along, enjoy a meal, and then settle in for trivia at 7:00pm.

You're also welcome to come just for the trivia if you like. Don't forget, we've now got a 15% discount on food there as well.

No cost to attend, just a whole lot of fun. You can make your own table of 8 or form a table on the night. Let Dan know if you're coming so we can arrange the tables with the Bowling Club. Need to know by Thursday, 6th August.

NAIDOC WEEK / INDIGINEOUS ROUNDS

Throughout July many of the clubs will hold Indigenous rounds, Welcome to Country and Smoking Ceremonies that acknowledge the Aboriginal and Torres Strait islander members in our clubs.

You may see players wearing uniforms with special designs along with indigenous match day balls.

It's the middle of winter and the school holidays when traditionally players and families have made their escape to warmer climates.

We encourage clubs to look out for each other along with players and their families as we enter the second half of the season

JUNIOR INTERLEAGUE CARNIVAL

Good luck to our coaches and our 17U Rep team competing in the Interleague carnival on Wednesday 9th of July.

FINALS QUALIFICATION

Players must play a minimum of one-third of the MGFNL season's playable games in a grade to qualify for that grade's finals.

As we have several grades where teams play less than the 16 scheduled games, please see below for the number of games to be played.

Senior Grades	6 games
Junior Grades	5 games

Players must be named on the score sheet and must have taken the court and be marked as having played on score sheet to be deemed to have played that game.

Games played on a Single Game Voucher will count towards qualification once the player has paid their full membership.

Players and Officials (umpires and coaches) must register and pay their Netball Victoria membership on the Netball Connect system.

Players from a lower grade may continue to play in a higher grade, within their own club.

Any senior player may not play more than 50% of the season's games in a higher grade before becoming ineligible to play in a lower grade.

A 13andUnder, 15andUnder and 17andUnder player once qualified in a senior grade is ineligible to play in a lower senior grade, however they are still eligible to play in their appropriate age group.

Players can check their eligible games on NetballConnect to ensure they are qualified and don't go over the 50% of games played.

In ALL grades we play a top 6 finals series.

In week 1 (23/08 & 24/08) its 3 v 6 and 4 v 5.

In week 2 the top 2 teams play on the Saturday (30/08/25) with the winners going straight through to the Grand Final (13/09/2025).

On the Sunday (31/08/25) it's the winners from week 1 who play off.

The Preliminary final will be held on the 3rd weekend (06/09/23).

NETBALL VIC MEMBERSHIP

Players and Officials (Umpires and Coaches) must register and pay their Netball Victoria membership on the NetballConnect system to participate in the finals.
