QUALIFYING FINAL
(Winner direct route to the 2025
MGFNL Grand Final)

Foster v Fish Creek

Last time they met:

Rnd 8 Fish Creek 7-7-49 def Foster 7-6-48.

What the coaches said at the time:

Jarrad Walker-Fish Creek.

A gritty win, a genuine arm wrestle all day with neither team able to kick back to back goals. Both teams defended really well making it a low scoring affair and we just fell on the right side at the final siren.

Sam Davies-Foster

Just a game that got away unfortunately and a game that we definitely lost from our mistakes rather than they won from playing good footy. High stoppage scrap for a lot of the day and we just failed to execute late which led to turnover or poor decision making. We'll learn and take a lot away from it, but we need to be better in certain areas.

Rnd 18 Foster 7-4-46 def Fish Creek 4-4-28

What the coaches said at the time:

Sam Davies-Foster

Really tough game in conditions we haven't really seen or played in this year - I thought they were on top in the first half, they applied great pressure and we panicked a lot with the footy. We didn't adjust too much after half time but came out much more calm and got a lot more speed on the ball which created a lot of opportunities that we took. Both teams will have changes in a fortnight but we will definitely enjoy the week and appreciate the work put in to finish on top.

Jarrad Walker-Fish Creek

A solid hit out against Foster in an interesting weather day. The first half was relatively dry, although hard to score for both teams the ball was moving pretty quickly. With no team able to capitalise on opportunities in the first half, Foster definitely changed that in the third quarter, putting on 6 goals straight to our one. Something we have been pretty good at is stopping opposition momentum, but we just weren't able to in the third quarter, disappointing on our end but hats off to Foster. They were first in and out hunted us. By the end of the 3rd the rain and hail had set in, and it was always going to be hard for us to claw them back. We showed a bit at the start of the last quarter for a potential comeback but unfortunately the damage was done. Well done to Foster finishing a year clear on top of the ladder, a very solid year. A week off and will see them again this week.

SEMI FINAL winners from week 1 (Winner to play loser of Qualifying Final)

Yinnar v MDU

Last time they met:

Rnd 6 MDU 15-9-99 def Yinnar 15-6-96

What the coaches said at the time:

Rhett Kelly-MDU

Another great game of footy yesterday, we understood that it was going to be a huge challenge to take on Yinnar on their home deck, but I knew the lads were up to it after playing some good footy the last few weeks. I thought we started that game really well, but to Yinnar's credit, they kept spreading hard from the contest and put some pressure on us across the second and third quarters. I asked the boys for a big effort in the last quarter, which is what they delivered. The game could have gone either way, but I am proud that we fought it out till the end. Yinnar is a solid team, and we look forward to another hit out in the second half of the year.

Sam McCulloch-Yinnar

Very disappointing loss. We played some really good footy at different periods throughout the day, but weren't able to maintain it for 4 qtrs, which won't win games against good opposition. Will learn a lot from the game and work on the areas which let us down.

Rnd 15 MDU 14-10-94 def Yinnar 10-5-65

What the coaches said at the time:

Rhett Kelly-MDU

It was great to get back on the winning list. I was really proud of how the lads responded after a couple of challenging weeks. We identified a few areas of our game that needed quick attention. Those areas were a big focus for us during the week and yesterday's game, and to the guys' credit, they got it done, playing a solid four-quarter game. Yinnar is a quality team, and we knew that we had to be at our best to beat them.

Sam McCulloch-Yinnar

MDU certainly came to play and were out to redeem themselves after a loss last week. We struggled to get our game going and were out worked for a large portion of the game. Credit to MDU for the way they applied themselves and their attitude for 4 qtrs. With the bye coming next week, is a real opportunity for us to regroup and have a good look at some areas of our game that are letting us down.

This week:

Sam McCulloch-Yinnar

The composure of the group throughout these moments of our first final was very pleasing. Another big challenge coming up, we will have to be on our game to progress through to the Preliminary Final and know that MDU will be a tough game.

Rhett Kelly- MDU

We have been lucky enough to have beaten Yinnar twice this season, so if there is an edge, maybe its a mental edge, but the fact is we all know this is now a completely different challenge for both teams, I'm looking forward to it and so is the club.

VIC BEST COMMUNITY FOOTY FACILITIES PROJECT AWARD - NOMINATIONS OPEN

Nominations are now open for the 2025 AFL Victoria Best Community Football Facilities Project Award.

Nominations are now open for the 2025 afl victoria best community football facilities project award, closing at 6pm aedt on 17 october 2025.

The afl victoria best community football facilities project award is announced annually to recognise best practice in community football facility development across the state, along with the people, clubs and other stakeholders driving the best projects in victoria.

This year, to capture and recognise the very best facilities projects fully completed and utilised in 2025, afl victoria is opening the nomination process up to local councils, afl victoria affiliated leagues and educational institutions.

The winner of the afl victoria best community football facilities project award will be announced at the end of each calendar year and put forward as the victorian nomination for the national afl ken gannon community football facilities award.

The award aims to promote and celebrate the provision of well positioned, welcoming, accessible,

fit for purpose football facilities that support our growing game's strategic priorities.

To be eligible, the project must be related to community level football and the project completed and venue used for football in the 2025 year.

NETBALL NEWS

Finals 2025

What a fantastic start to the Finals series.

Thank you to our first host venues MDU and Fish Creek for being so organised and welcoming. We are looking forward to this weekend's games.

In the MGFNL we are aiming to build a competitive community environment for our players, coaches, volunteers, parents and spectators that is both respectful and where everyone can participate safely.

A reminder to all spectators, we need to have the playing area clear for teams and officials. We encourage support for your teams and hope you applaud good play by all teams.

Please remember that our umpires are human and don't always see things the same way and that they are so important to our game.
