Boolarra - Brendan Mason

"It was an important win for us in round eight against Hill End before heading into a two week break."

Fish Creek - Jarrod Walker

"A gutsy win for us. Conditions actually stayed pretty good for the game after looking very wintery in the morning. It allowed for both teams to start using the footy better and when MDU get their kicking game on they are hard to stop. Ebbs and flows all day, I thought we had done enough at the start of the last quarter to kick away but MDU dug deep to get back within a kick. We were able to kill the game a bit in the end but had a lot of nervous defending for the final 5-10 minutes. This week against Newborough at home will prove another tough test. Looks like they've been a bit up and down this year, but with most of our recent results being very close it's sure to be a tight contest."

Foster - Sam Davies

"We have a really big game against Toora post bye with our Presidents lunch on and guest speaker Justin Leppitsch stopping in. Toora have made rapid improvements throughout the year, beating MDU and pushing other top teams for 2-3 quarters consistently. They still have the best player in the comp Jack Weston running around for them, so we need to be able to absorb and stop momentum and apply scoreboard pressure the other way. I don't think there are any easy games in the competition right now and this will sure be a cracker that will be worth the entry fee."

Hill End - Adrian Burns

"We should have, maybe could have won a game or two really, we have had our chances, I don't really know what to say, it's a club rebuilding and it won't happen overnight, but we are learning each and every week and the Sharks this week will be yet another tough challenge."

MDU - Rhett Kelly

"Great game of footy, Fish Creek was too strong a real quality team and looked very well structured. We look forward to another hit out with them later in the year. I was super proud of the guys and the effort they gave, something we were well short of last week. We will look to adjust a few things and continue to keep putting in the hard work. We are really looking forward to Stony Creek on their home deck next week, which is now a really important game for us after having lost a couple in a row."

Mirboo North - Damian Turner

"After two weekends off in a row, we travel to Morwell East chasing our 3rd win in a row. We expect a tough, physical encounter, as we always do against a proud club. Every game is so crucial at the moment, so nothing changes here! Our challenge as a young group after some down time is to hit the ground running and make sure we are ready to go from the first bounce. We have really enjoyed a reset and with some injuries setting in the double bye come at the perfect time."

Morwell East - Paul Henry

"Mirboo Nth at home next week, who have really pushed teams so far. Hopefully we can get the win to start off a better back half to the season."

Newborough - Pat Frendo

"Head down to Fish Creek after the bye to play the reigning premiers next week, looking forward to another challenge against premier competition. Hoping to get a few back from injury this week after having another 2 players unfortunately suffer season ending injuries last week. Fishy have been firing on all cylinders, so we will need to be on top of our game for 4 quarters."

Stony Creek - Troy Shepherdson

"Got our cross town rival next week in Meeniyan, looking to stay on the winners list and take a big scalp, Rhett will have his team eager to continue their strong start to season."

Tarwin - Lachie Jones

"We take on Hill End at home this weekend. They have pushed sides and showed signs throughout the first part of the year so we will look to nullify what we need to and play our style. I'm very happy that we have landed back 4-4 and we have really worked to our strengths over the last month of footy. We are starting to get some players back too which is pleasing as we have had some significant injuries so far."

Thorpdale - Daniel Taylor

"Yinnar this week away is another big game, they're always tough to beat at home and this will be no different. On a personal note, win lose or draw I'm

looking forward to getting back out to the club and catching up with a lot of great people! It'll be a good day!"

Toora - Jay Accardi

"We are really looking forward to the challenge of playing Foster who in recent times have gotten a hold of us. Playing them on their home deck is always a challenge as it's quite unique, hopefully we can bring the energy and enthusiasm required to disrupt their ability to control the ground. Another massive game but we look forward to the challenge as we do every week."

Yinnar - Sam McCulloch

"We were looking forward to the week off in what will be a good opportunity to freshen up and work on some areas we need to improve on. Will be ready for a tough encounter this week when we come up against Thorpdale on our home deck after the week off."

FOOTY CLUBS SCORE BIG WITH VICTORIA'S CONTAINER DEPOSIT SCHEME

AFL Victoria is proud to announce an exciting partnership with Victoria's Container Deposit Scheme (CDS Vic), coming on board until the end of the 2027 community football season.

The partnership is aimed at driving environmental action and fundraising for grassroots clubs across the state through the recycling of eligible drink containers. Through this collaboration, local football clubs will have the opportunity to boost their fundraising efforts by becoming Donation Partners in the CDS Vic scheme. The initiative provides Victorians with a 10-cent refund for every eligible drink container returned - offering individuals the choice to keep the refund or donate it directly to participating clubs or charities.

Community football clubs across Victoria can sign up as official Donation Partners to receive a unique ID. That allows supporters to donate the funds from their container refunds to them at designated CDS Vic refund points.

Clubs can also boost collections by encouraging members to bring containers they collect throughout the week to games, training sessions, and return points in their communities.

Head of AFL Victoria Greg Madigan said the partnership is a great way to assist clubs in their fundraising efforts throughout the season.

"We know one of the main challenges for our clubs is finding ways that time-poor volunteers can raise funds for necessary upgrades to club equipment, uniforms and other expenses throughout the season," Madigan said.

"Partnering with CDS Vic allows our communities to make a real difference to their local club whilst also making a positive difference on the environment. Many people are already collecting and recycling their containers through the scheme, and now they can put the funds from the returns to good use in their local communities."

To help clubs get started, every team that activates their Donation Partner ID before 30 June 2025 will receive a starter pack, including collection bags and promotional posters.

For more information and to register, visit cdsvic.org.au/afl-victoria.

About Victoria's Container Deposit Scheme
Since the scheme's launch in November 2023, over 1.8 billion containers have already been returned, with more than \$1.9 million raised through Donation Partners. These funds have helped local clubs across the state purchase new uniforms, upgrade facilities, and replace essential equipment.

"This is a win-win for community sport and the environment," said VicReturn CEO Jim Round, coordinator of Victoria's Container Deposit Scheme.

"By returning drink containers, fans and families can help reduce litter and directly support their local footy club at the same time."

Register your club at our website and start turning empty drink bottles and cans into funding dollars."

Mental Health Training Sessions

This year, the AFL is supporting access to mental health training sessions for umpires and footballers. We will be taking up this opportunity.

On Wednesday 18th June, we will have a session for over 18+ umpires starting at 6pm and finishing at 7:30pm.

On Tuesday 24th June and Tuesday 1st July, we will have two sessions for 12 - 18 year old umpires on Mental Health Literacy, and then on Resilience. The second session will be followed by a free dinner while a parent and coaches session takes place for 45 minutes.

Whilst the 24th June will be held at the West End Complex, we're still determining the location for the 1st July.

We'd really like the support of all umpires for these programs. They are really important in the current climate.

Any questions about these can be directed to Bryan Sultana.

Stack Team App

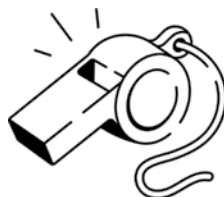

We are looking at trialling the use of Stack Team App as a communication device with members. Invites will go out via email in the near future, and we would encourage engaging with this. One of the reasons for using Team App is that parents can join the communication channel as well as kids, allowing for stronger child safety protocols, whilst increasing the speed of communication with kids in a digital age.

Trip Away 2025

We have not had sufficient interest in Trip Away this year to justify the cost of a bus. Trip Away will still go ahead in a limited fashion, however, it will be up to individuals or small groups of umpires to arrange their own accommodation booking and transport. There is at least one car load confirmed and going ahead, so you're definitely not on your own.

We are still going from Friday 24th to Sunday 26th October, but of course while you are organising your own arrangements, you can shorten or extend as may suit you.

Please be sure to let Scott know if you do plan on coming along and he'll let you know where to book.

Umpires.

Congratulations to Rebekah Vagg from Stony Creek on achieving her B Grade Netball Badge on the 17th of May at Yinnar.

Bek umpired beautifully for her test match, showing great control and interpretation of rules to skill level and game play.

Bek is an example that hard work and dedication brings great rewards. Well done.

Across our league we have numerous independent mentors that work with umpires working towards their C grade badge or their B grade badge.

These mentors are in contact with the Executive regarding their mentoring and when badging umpires on Mid Gippy games.

Umpires work co-operatively together and support each other. Mentoring is pre-organised by the umpire and mentor and not assumed to be desired or warranted unless arranged.

Clubs must have a current rulebook and the competition by-laws at the court.

All Umpires are to be dressed appropriately as per the official rules of netball.

Umpires are only allowed to umpire two (2) consecutive games.

Junior Rep Teams – Moe Tournament

All our teams played in the Open divisions at the Moe & District NA tournament on June 1st.

They came up against strong competition in the semi-finals.

The 13/U finished 3rd winning 3 and losing 3 in the rounds. They were beaten by Moe DNA in the semi-final.

The 15/U team finished 4th and came up against a very strong West Gippsland team in the semi-final.

The 17/U team also finished 4th and made the finals; they were beaten by West Gippsland in the first final.

Association Championships

Our next tournament is the Association Championships in Bairnsdale on the 15th of June.

The players have the opportunity to be TID (talent identified) for Netball Victoria Eastern Talent Academy and Gippsland Sports Academy Netball Programs

These invitations will be announced in the coming weeks.

We wish all of our teams the very best of luck as they travel to Bairnsdale to take on the best in Gippsland.
